

Understanding & Using Clinician Assist WA

Presented by WA Primary Health Alliance

Clinician Assist WA is a secure website providing GPs and other health professionals with guidance for assessing, managing and referring patients across Western Australia. It has replaced HealthPathways WA and provides access to the same trusted local guidance, features and functionality and remains available at no cost.

The Clinician Assist WA team will run online demonstrations facilitated by a GP Clinical Editor monthly until November 2024 to support users. These sessions will demonstrate how to maximise integration of Clinician Assist WA into your clinical practice.

To register, click the desired date below, or scan the QR code to register via WAPHA's events calendar.

Wednesday 28 August 2024	12:30pm to 1:15pm
Tuesday 24 September 2024	12:30pm to 1:15pm
Tuesday 22 October 2024	12:30pm to 1:15pm
Thursday 14 November 2024	12:30pm to 1:15pm

These sessions have been approved for 1 CPD Educational Hour with the RACGP (activity #807950)

Pre-activity (15 minutes):

- Complete the session specific activity - this will be emailed to you two weeks prior to your nominated session.

Demonstration (30 minutes), you will learn how to:

- Easily access and use the website to support your clinical practice.
- Access local clinical and referral pathways, including service information.
- Access condition specific tools, resources and Referral Access Criteria (RAC) (where available), as well as GPbook and visiting specialist rosters.

Questions (15 minutes):

- Our GP Clinical Editor will be available to answer any questions from your pre-activity.
